Finance Terms

Your new monthly payment will be

Climate First Bank
7.99% APR for 30yrs*

\$161/mo

No payments during the first 6 months.

Apply Now! >

*Any monthly payments shown are estimations only and do not guarantee financing. Your actual payment could vary based on your credit profile and being approved by the financial institution. Lender rates, fees or programs are subject to change without notice.

Annual Percentage Rate (APR) is current as of August 1, 2024, and is subject to change. The APR with autopay is 7.73%, and without autopay, the APR will be 7.98%. Autopay is not required, but if elected, it provides a 0.25% discount on the interest rate, reducing the rate to 7.50%. No payments are required for the first 6 months; however, interest will accrue on the outstanding balance during this period. Principal and interest payments will begin in month 7. This loan is subject to credit approval. The APR, number of payments, and payment amounts provided are based on an example of a single borrower with loan proceeds of \$50,000.00 plus \$125.00 in fees (including doc stamps for FL loans), for a 30-year term at a 7.50% interest rate with autopay. No payments are due for the first 6 months, after which 360 monthly payments of \$358.72 will be required. For loans in TX, SC, NC, NY, NJ, AZ, NV, CO, AK, CT, GA, IL, IN, KY, LA, ME, MD, MA, NH, NM, OH, OR, RI, TN, VT, and VA: Loan subject to credit approval. The APR, number of payments, and payment amounts are based on an example of a single borrower with loan proceeds of \$50,000.00 plus \$125.00 in fees for a 30-year term at a 7.50% interest rate with autopay. No payments are due for the first 6 months, after which 360 monthly payments of \$357.47 will be required. Please note that solar loan applications are limited to property owners in FL, TX, SC, NC, NY, NJ, AZ, NV, CO, AK, CT, GA, IL, IN, KY, LA, ME, MD, MA, NH, NM, OH, OR, RI, TN, VT, and VA. Solar panels must be installed on a residential home located in one of these states.
